

Greening San Francisco

TREE PLANTING REQUEST

FUF is planting FREE street trees in San Francisco!
Fill out this application form to request a street tree.

[Please read this page.](#)

What does our tree planting program include?

- Tree sourcing and planting your tree
 - Concrete removal if needed
- You get to choose your species from selection list
- 3 years of tree pruning visits and hardware repair
 - Water bags and mesh screen if needed
 - Planting day and community potluck

When will your tree be planted?

It depends on your status below:

I will need a new tree basin

Community Planting

We will remove concrete and plant with 30 more of your neighbors. FUF will organize a community planting with block organizers where there is high demand for trees.

I already have an existing tree basin

Replacement Planting

If we cannot include your tree in a nearby community planting, we will plant your tree through our Replacements Program. The current wait time is 3 months.

What are my responsibilities?

In some cases, you are responsible for keeping your tree watered; or You may benefit from the City's tree watering plan through a community planting. Learn about new city tree care policy passed by voters in November 2016 by visiting <http://fuf.net/newpolicy>

TREE PLANTING REQUEST

Thank you for choosing to plant a tree adjacent to your property.

Please complete this form.

Scan this form to info@fuf.net or mail to our address printed below.

Address of Proposed Trees(s): _____ Zip Code: _____

Number of Trees Requested: _____ Between Cross Streets: _____ and _____

What is your basin status? I will need concrete removed I already have an existing empty tree basin
 There is still a tree in the basin There is still a stump in the basin

Other situation: _____

We only plant City approved trees and trees appropriate for your neighborhood. You will be invited to a community meeting to learn more about which trees you can choose or receive a phone consultation. Please indicate which you prefer:

I want to choose my tree from a list of appropriate species (fuf.net/trees) Let FUF decide!

Can you water your tree? A water bag is included with the tree. You just have to fill it up once a week: YES

*Some neighborhoods will benefit from the City or neighborhood watering plan

BEST PHONE NUMBER _____ EMAIL _____

SUPPORT THE COMMUNITY PLANTING:

Volunteer to host the trees. We may need a garage or backyard space to store the trees we will plant for you, for a night. Trees will be delivered at 7am Friday for the planting at 8am Saturday. If you are willing to volunteer your space, please check here: **Yes, I can volunteer a space to host the trees for the planting.**

Organize the potluck or bring a dish! For organized community plantings, we celebrate at the end with a community potluck. We ask homeowners to bring a dish to share to thank all volunteers who made the planting event possible.

Can you help organize the potluck? Yes / No **Can you share a dish or beverages?** _____

What happens before and after tree planting?

- 2-3 months before planting date – FUF and neighbors rally interest for homeowners to sign up
- 5 weeks before – Deadline to submit forms to be included in community planting
- 4 weeks before – FUF hosts a community meeting to discuss logistics and tree options. FUF begins sidewalk markings and utility inspections.
- 3 weeks before – Deadline for homeowners to submit their tree species**
- 1 week before – FUF performs concrete cutting of sidewalk**
- Planting Date – Trees are planted with neighbors and volunteers
- 3 years after – FUF visits trees to perform health surveys and structural pruning
